State Schools are Great Schools and the schools in the Shepparton Network work together to ensure that your child will receive a high level of learning and support at each and every school. All students are entitled to attend their closest local school. An alternative school may be appropriate. You may be able to enrol in a school that is not your designated neighbourhood school. In this situation, please meet with your local Principal to discuss your schooling options. To find your designated school, please go to: <https://www.findmyschool.vic.gov.au>
